Summerhaze Willow

Description:

Skyla is a lovely looking female with a very strong frame and a very desirable head style. She comes with a cria from a mating with our black stud male Chinchero Rufus. Rufus carries some great genetics and has been placed first at the uk national at both junior and intermediate classes. The cria from this mating is true black, very fine and carries reasonable density . We have therefore repeated the mating for 2021 so this is a great 3 in 1 opportunity to add some good coloured genetics to your herd.

Number of Crias bred from female: 3

Sire of Cria at Foot: Chinchero Rufus

Cria at Foot: True Black

Date of Birth of Cria at Foot: 10th June 2019

Current Age of Cria at Foot: 250 Weeks and 4 Days
