Fibre Testing Authority: Art of Fibre

Description:

Tienda Molino Lanzarote is a very well grown male who exhibits good substance of bone and is extremely balanced in his conformation and this is evident by his smooth movement. The fibre this strong sire is growing is very special as the density of the fleece brings with it other desirable qualities such as brightness and handle. With a champion sire in Beck Brow Jimmy Choos and a dam who is not only well bred but a champion herself; Inca Gabana - Color Champion Black Female, Hapert show 2014, Tienda Molino Lanzarote is ideal for those breeders wishing to add colour to their herd without compromising on quality. This male can be made ready for sale in the Netherlands and for export in as little as three weeks. He is also sold with a full veterinary examination and health certificate.
