Description:

Chelsea is a very attractive, impressive looking young female with great genetics, her sire being Inca Hamilton. She has Bozedown on her Dam's side making a very impressive pedigree. Her fleece has a soft handle, good even colour and good density. She is a gentle, friendly female. Chelsea has colour on both sides of her pedigree. Her sire, Inca Hamilton has colour throughout his pedigree, two of his grandparents being grey's.

Chelsea was mated 2 Aug 2020 and is believed to be pregnant for 2021. Chelsea has been covered by our GREY CHAMPION, Rivenherd Amos, his sire being Salvador of Houghton and dam Houghton Selby. Amos has great density of fleece and who is consistently producing stunning cria including greys and patterned markings. His impressive show wins include a Championship, 3 Reserve Championships and multiple first places.

With a herd of over 90 alpacas to choose from Chelsea can be sold as part of a package to suit your requirements and budget.
