Description:

Pernod is an entire male and BAS registered as a fleece producer only. He is a very friendly dark brown Suri with BAS pedigree. His dam is a Suri and his sire is Artwork Rico, a handsome Huacaya. Any offspring would not be eligible for registration with BAS. This boy is SO full of character with a really cheeky look. He was destined to be a trekker throughout 2020 but Covid 19 changed our plans and this year we have had more male cria born who will become potential trekkers for 2021. We are offering this boy for sale at a very reasonable price. He will be transferred with British Alpaca Society Certificate and Pedigree.

With a herd of over 90 alpacas to choose from Pernod can be sold as part of a package to suit your requirements and budget.

We can deliver free of charge locally within 30 miles and over that, anywhere in the UK, for extra cost of fuel.
