Date of Birth: 18th August 2013

Description:

Meet Troy, a magnificent white stud male with a commanding presence and a gentle nature around his handlers. A confident leader within the herd, Troy has consistently produced solid offspring with bright, fine dense fleece of excellent structure. A testament to his strong genetics.

Troy boasts a multi-generational background with coloured/Multi genetics, evident in his progeny's consistent excellence and quality. He is a proven sire, ready to contribute his exceptional traits to your breeding program.

Troy is halter trained for routine husbandry tasks and loads well into a trailer, making handling straightforward.
