Valley Alpaca Cinnamon

Light Fawn (Solid Colour) - Huacaya

UKBAS05837 - EP Cambridge Aria (EPCBASUK1307)

### **Description:**

Cinnamon is a lovely light fawn stud male, he has a lovely temperament and a reluctant sale as sadly to closely related to our herd. He produces long fleeces for those who are looking to improve length. His progeny have done well at shows and his show record was impressive. He is out the same stable as Valley Alpacas The Diplomat.
