

Lough Rynn Sapphire

Price: £1,995.00 **(SOLD)**

Sire: Dewgates D'Artagnan

Dam: Butlers Farm Black Magic

Type: Female

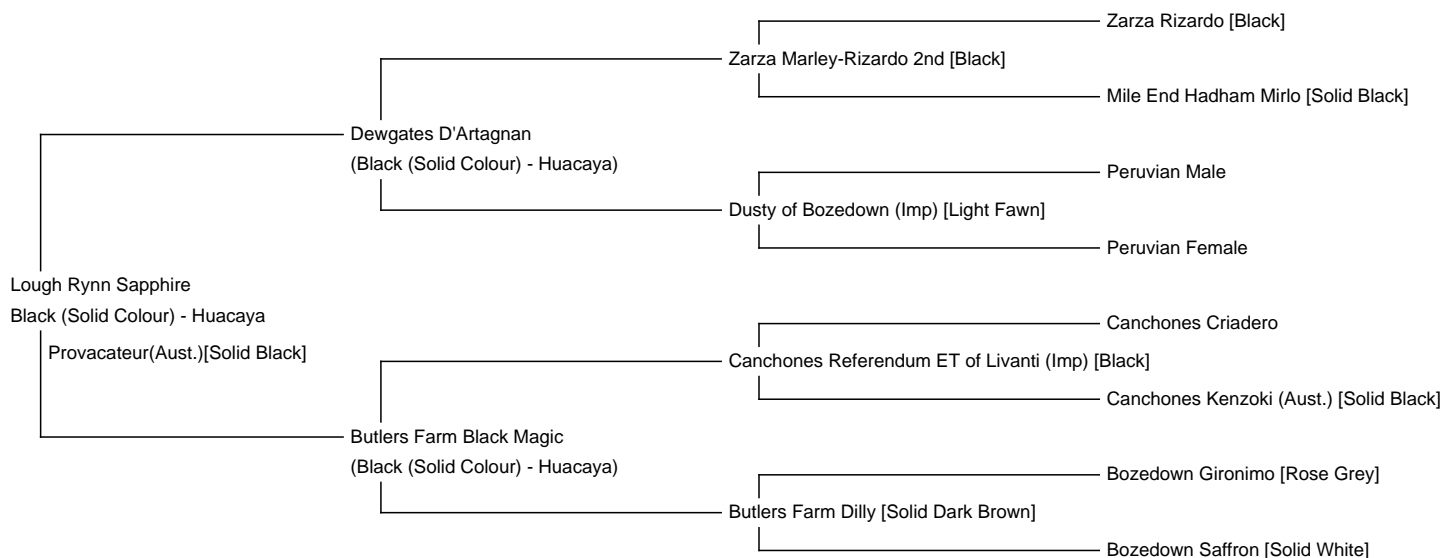

Breed Type: Huacaya

Colour: Black (Solid Colour)

Registered With: BAS: UKBAS38594

Blood Lineage: Peruvian, Chilean

Date of Birth: 25th August 2020

Description:

Sapphire is a stunning, solid blue black female who has now reached over 35kg at 5 months old and will be weaned and able to move to a new home at the end of February/beginning of March.

Sapphire has inherited her sire's excellent conformation with strong, stocky bone structure and true-to-type head shape. Like her full brother, who is a year older and can be viewed too, she is on track to be growing into a big-framed animal and is already taller than our older cria despite her late birth.

While we have no fleece stats yet for Sapphire, her fleece shows the characteristic bundling of density always passed on by her sire (also on farm), has a very soft handle and fantastic brightness and crimp.

Sapphire will be halter trained once weaned and should make a great walking partner and, when old enough, breeding female.

She incorporates black Rizado and Canchones bloodlines on both sides as well as having the influential grey The Chief of Bozedown in her maternal line.

Sapphire can be sold in a package with Lough Rynn Clover, a 2019-born black female who she is growing up with. Both

girls are only to be sold to a preexisting herd or into a newly-formed herd of at least 3 girls (including them).
After-sales health support available and delivery also possible (included locally).

For any queries, please feel free to contact me.
