Description:

Twiglet is a well proportioned, good framed beautiful representation of a suri. She was Reserve Champion Light suri at the South of England Show in 2019. With a Futurity Champion Herd Sire and one of only two Macgyver sons ever to have entered the UK in her lineage - she has an excellent pedigree! Her stylish fleece exhibits broad dense and lustrous locks.

Twiglet is very friendly and halter trained. She is scanned pregnant to Amadeus which is an exciting combination. Amadeus is a full Accoyo and his sire, LCA Accoyo Rico, has both Inca and Bruxo in his pedigree. On his dam, Snowbelle's side, she has Uribe, Apache II and Bruxo again. Leslie Loveless (his breeder and former owner of Macgyver) really rated LCA Accoyo Rico and she paid \$6000 at auction for his mating as he was closed for outside matings at the time.
