Description:

Euphoria is a stunning young true black female, a real standout in the paddock!

She has a superfine, uniform bright fleece with a beautiful silky handle and medium density.

She stands on a fantastic frame with great chest capacity and bone. She is displaying great fleece coverage from head to toe and has a beautiful short muzzle and true to type head style.

She is packed full of top quality genetics and is sure to be an asset to any coloured breeder.

A very reluctant sale as she is a beautiful female but we must make way for this years drop of cria.

A fantastic opportunity to purchase a lovely female at a reasonable price!
