Description:

Grey Goose is a very attractive classic silver grey. She has quite a few spots of DBR and TB, but none much bigger than a hen's egg. Her conformation is excellent with strong solid bone and an attractive head.
She took First Place in the show ring at the 2019 National Show. And her first fleece won her the Grey Fleece Championship at the 2018 Heart of England Fleece Show.

Grey Goose was bred in 2020 but she lost the pregnancy and the male I wanted to rebreed her to was not available later in the summer.

Genuine dispersal sale.
Sadly all our alpacas need to find new homes ASAP due to retirement. Please contact us for more details of other alpacas for sale. Price negotiable in some circumstances or for multiple animals.
