**Description:**

Petunia is a lovely Dark Brown 6-year-old girl with excellent conformation and a delightful personality. Bred in the summer of 2024, we anticipate her to be a wonderful mother, passing on her exceptional genetics.

Petunia's fleece boasts fine fibres with exceptional crimp and handling qualities - With Inca lineage, she has solid confirmation.

A true companion, Petunia is well-mannered and enjoys walks. She's fully halter and trailer trained and handles routine care (worming and injections) with ease.
