Type: Pregnant Female (Pregnant)

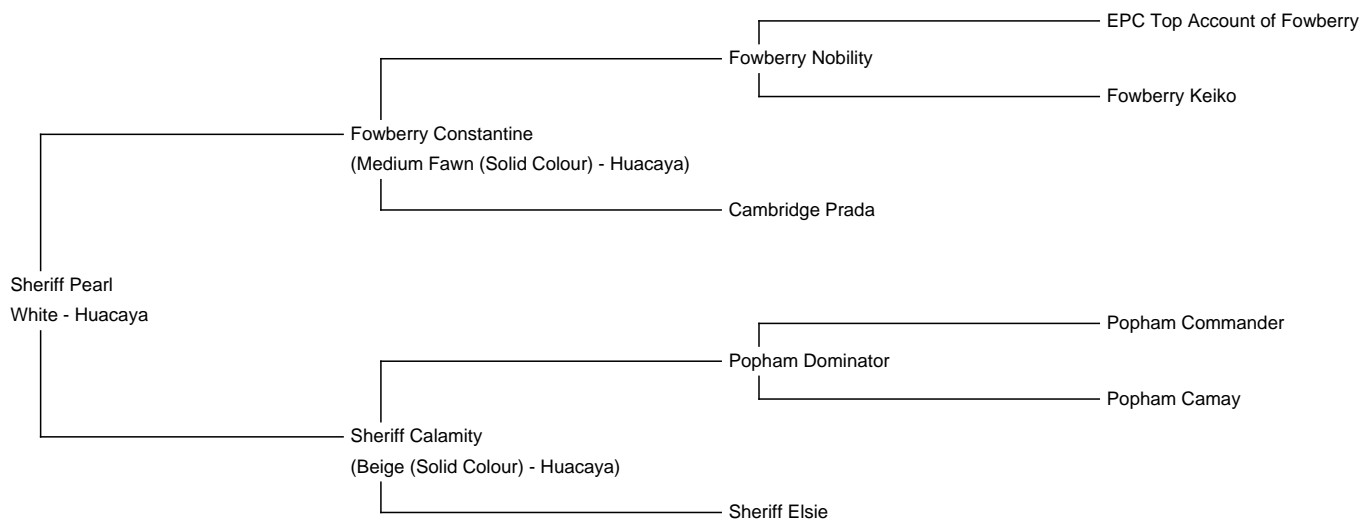

Breed Type: Huacaya

Colour: White

Registered With: BAS

Blood Lineage: commisario/spartacus/constanti

Date of Birth: 23rd July 2019

Description:

Here we offer an amazing opportunity to a discerning breeder who is looking for a top quality female with top quality genetics.

Sheriff Pearl has some of the best genetics you will find in a female. Her father is the supreme champion Fowberry Constantine [a Nobility son] and on both sides blends a mixture of double Commisario, Spartacus, Popham Commander, I would hope she will throw colour with this mix.

She has an abundance of fleece head to toe. Very bright, dense, fine and super soft handle. Her length is incredible. She has a strong frame and a real stand out in the paddock.

She has been mated to our new import from Germany Massimo and will check spitting off successful. with live cria guarantee. Due spring 2022
