Description:

Champagne is a solid dark fawn female who has excellent substance of bone and a wonderful nature. She is an easy to handle female who is also an excellent birther and fantastic mother. She has a dense fleece with lustre and style, sired by our standout appaloosa male 'Appaloosa Archipelago' and is holding a fine micron of 20.9 on her 5th fleece.

She has been shown successfully and is halter trained.

Champagne has appaloosa genetics on both sides of her bloodline so has the potential to throw both appaloosa and colour.

She has been re-mated to our appaloosa stud male 'The Majestic Heartbreaker' after producing a quality appaloosa female cria this season who we are retaining in our breeding programme.

Package price can be discussed.
