### Description:

Billabong is a stunning young black alpaca who has a wealth of great genetics behind him, his sire being the stunning grey Futurity Champion, Bozedown Comanche who's sire is The Chief of Bozedown and dam, Chelsea of Bozedown. Taking in his sires footsteps, Billabong has great conformation and a gorgeous dense fleece. We named him Billabong as he looks like a sun bleached surfer, Billabong being the Australian company that focuses on designer surfing gear. Although Billabong appears a sun bleached brown when in full fleece, he is actually a solid, true black. His dam, Woodbine Isabella, is a lovely, attractive black female.

Billabong has been handled since birth on our farm and is up to date with vaccinations, vitamins and husbandry tasks. He is BAS registered, ear tagged, microchipped and up to date with husbandry tasks.

A 'hands on' alpaca husbandry course is included with every alpaca sold and continued support will be given. We are at the end of the phone and only too happy to give help and advice whenever needed. Billabong can be sold as part of a package and a discount can be given.
