Description:

Lane House Valiant Prince 🌟

- Solid Dark Brown Stud Male

This stunning young male has been a stand out since day one. Not only does he look the business he has a wonderful fleece that just melts in your fingers! He is Ultrafine with fantastic uniformity throughout, he has good density with lovely structure and brightness. He has very impressive fleece coverage from head to toe and the most stunning short true to type head style. He stands on a perfect frame, strong boned with good chest capacity. He also has a wonderful temperament and is fantastic to handle.

He is the only son of our newly imported Australian male - Kurrawa Legends Bandido, to be released for sale.

This male would be perfect for the black or brown breeder wanting to improve fineness and uniformity throughout their herd.

We are only releasing this male as we have his sire and his half brother who we are retaining, therefore he will have very limited use.

He would have been part of our 2020/2021 show team but due to covid they were cancelled.

He is approaching 2 years of age this year so we expect him to work this breeding season. He is already very much up for the job and paying an interest in the females.
