### Description:

Moralee Amelia is a very pretty four year old female.

With correct conformation and a true-to-type head, she carries a lovely fine, bright and dense fleece (2nd fleece 18.9 microns and 3kg).

She has an enviable lineage, with Jolimont Rodrigo 2 and Tudor of Bozedown in her family tree, and would make a great addition to any breeding programme.

Price excludes VAT.

All alpacas come with a veterinary health certificate.
