

Wellground Lora

Price: £2,000.00 (excl VAT) **(SOLD)**

Sire: Cambridge Buckingham

Dam: EP Cambridge Giselle

Type: Pregnant Female (Pregnant)

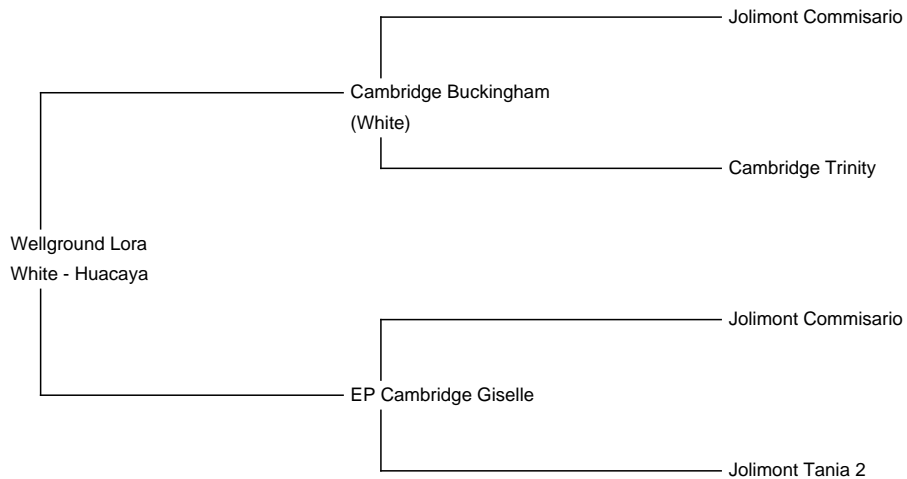

Breed Type: Huacaya

Colour: White

Registered With: BAS

Blood Lineage: Commisario

Date of Birth: 25th August 2011

Description:

A very attractive female who stands out in the paddock. She has a strong frame and head type with great coverage of fleece across the body and down the legs. Her fleece is incredibly dense and has great potential to produce high quality progeny. Her female cria this year placed first as a junior at the Scottish alpaca championship so Lora can really produce quality!. I am expecting something just as impressive with her match with OLD Massimo Te Amour this year.

Name of covering male: OLD Massimo d' Amour (Dark Fawn)

Last Mating Date: 25th August 2021

Estimated Date Cria Due (Pregnant Female): 25th July 2022
