Description:

Polly is a stunning example of a suri female. Her fleece is still carrying wonderful lustre, lock formation and density with a good amount of fineness. She produced the 2019 BAS National Champion Light Suri Female. She is true to type and stands on a big strong fame. She is very inquisitive but a shy personality. We have mated her to our 7 X Supreme Champion Suri - Lane House Calypso. This is the only female to be released pregnant to him so a very exciting opportunity for someone!

Name of covering male: Lane House Calypso (White)

Last Mating Date: 2nd August 2021

Estimated Date Cria Due (Pregnant Female): 2nd July 2022
