Description:

Pebbles is a true to type, well conformed, stylish 19mth yrs old female. She has a beautiful, ultrafine well organised fleece displaying an excellent uniformity of micron across the blanket evidenced by her impressive fleece statistics - mean micron 15.8/ SD 3.2. Like her mother, Tally, she has an excellent disposition and is also easy to handle. She is fully halter trained.

Pebbles has a pedigree that draws on an impressive elite range of genetics. This includes, on her Dam's side, EPC Top Account Account of Fowberry, the 2012 Futurity Champion Herdsire and Jolimont Encantadour who have contributed some of the finest Australian genetics to her pedigree. Her Sire, Houghton Kendrick now based at Fangdale Alpacas has championship winning Houghton Bellino and Neptune of Houghton in his background.

We are releasing Pebbles as part of a herd reduction strategy - we love our Alpacas so much, we struggle to part with them!
