*(taken on 2nd July 2021 at 1 Year of age)*

**Fibre Testing Authority:** Art of Fibre

### Description:

Chestnut Farm Pebble is a lovely solid white maiden female, her sire is our white stud male Beck Brow Ammunition and her dam is one of our original Australian girls Eringa Park Papalona of Cambridge who is sired by EP Cambridge Peruvian Caesar.

Pebble is a well grown young female with a strong frame and correct confirmation and a true to type head.

She has a bright, dense, soft handling fleece with very little primary fibres.

Pebble will be sold with a mating to our light brown stud male Inca Nobleman, his first cria are due in 2022 and we are very excited to see what he is going to produce for us.

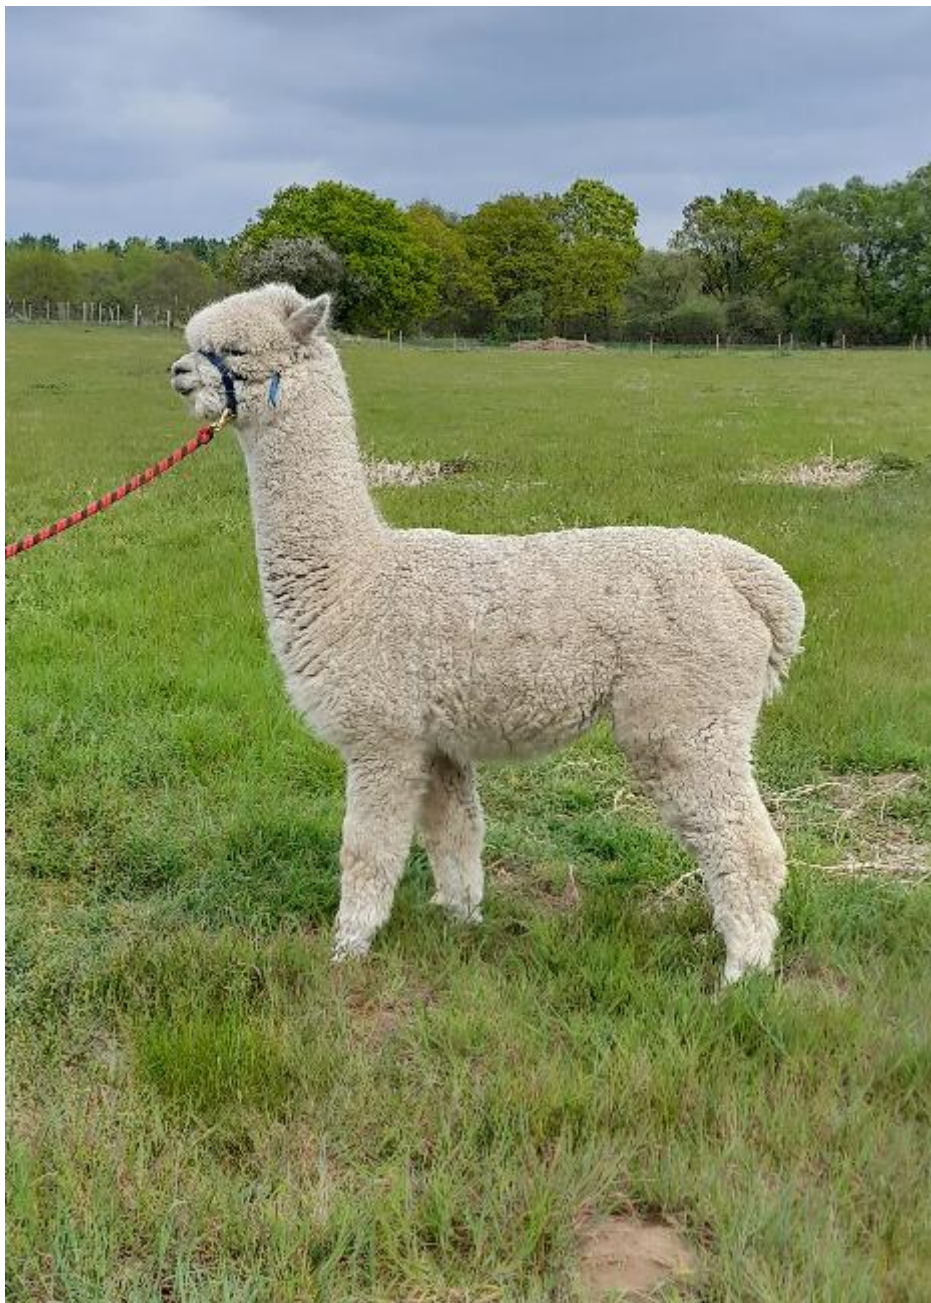

This young female is packed with quality genetics.
