Description:

New Price

Fangdale Apache is a handsome dark rose grey boy who stands out in the paddock. He is a well conformed, true-to-type male displaying a proportioned, balanced frame with good substance of bone. Apache has a beautiful fine, dense, championship winning fleece with a uniformity that extends through the blanket to his extremities.

Apache has some great genetics in his background. His dam, Houghton Lucky Fantasi, a Cambridge Navigator daughter, is a Championship winning fawn female including best female Huacaya at the highly competitive 2016 Alpaca Showtime. His Sire is Fangdale Noah, our fawn Stud Male sired by Beck Brow Crafter, a Warradine St Patrick son. This genetic package makes him a very interesting and exciting future stud male for a discerning breeder.

Apache was recently awarded Champion Grey Male at the Yorkshire Alpaca Halter Show
