Description:

King is a friendly, kind and loving alpaca. He is phenomenally halter trained, he is also great with children and other alpacas. We have used him as our meet and greet alpaca and has been to weddings, care homes and school visits- he loves doing these! His dam, Carlshead Gloria, is also a nurturing and loving alpaca, as well as having a fine fleece. King holds both of his dams characteristics well. His sire, Carlshead Fleetwood, is a highly desirable fawn male as his head style is very true to type.
