Description:

Constance is a gentle natured daughter of Bozedown Comet 11. She was placed at BAS shows as a junior, intermediate and adult; one of her daughters was also placed at the 2022 National Show. She has always been an excellent mother. Reluctantly for sale as we need to downsize our herd. A mating with our Champion Stud Male Horizon is offered as part of the package.

As the welfare of our animals are our main concern we would like her to be sold with at least one of our other alpacas. Price is negotiable for her to go to a 5 Star home.

Number of Crias bred from female: 2
