Beschreibung:

Dream has a strong frame and stature. Her sire was Jolimont Rodrigo and her cria have all inherited his fine fleece characteristics. She is an excellent mother, her cria are always the ones to put on the most weight. Reluctantly for sale as we need to reduce the size of our herd.

As our main concern is her welfare, we would like her to be sold with at least one other of our animals

Price is negotiable to ensure she goes to a 5 Star home

Anzahl geborener Crias dieser Stute: 3
