Putjade Joy Division **NO VAT** Medium Brown - Huacaya

Potters Farm Karen
(Medium Brown (Solid Colour) - Huacaya)

Description:

Joy is a real sweet alpaca. Great for someone who wants to breed grey. Would also make a great pet or guard animal. Joy had a lovely grey cria but sadly we lost him during a breach birth. Joy took on sharing feeding her sisters cria that year and loves crias and often will be seen babysitting or playing with the crias. Joy would make a great mum. Not mated only due to our lack of time.

Priced to sell, not a reflection on quality but a need to reduce herd size.

See our website or alpaca seller to see more females for sale. (We have approx 30 females for sale). Nice quality females with discounts available for 3 or more alpacas purchased.

See our website www.winwickbarnalpacas.co.uk and our Facebook page https://www.facebook.com/winwickbarnalpacas

All females up to date with husbandry. Vaccinated and ready to go to new homes.

Cambridgeshire is in a Low Risk Area (LRA) and has a low incidence of bovine TB and no recognised significant reservoir of the disease in wildlife.

We take biosecurity very seriously with double perimeter fencing. We haven't shown our alpacas since 2017. We have previously done voluntary TB testing and tested all clear. We are in 4 year testing area.
