### **Description:**

Beauty is a lovely quality true jet black alpaca. She has bred a stunning grey cria in the past. Cria not included in sale. Beauty has 2 white spots on her which we think may help to be able to breed greys. Her sire is also grey and has a lot of grey in his Pedigree. Beauty will be great for someone wishing to breed greys or she may even breed spotty's.

Not mated only due to our lack of time.

Priced to sell, not a reflection on quality but a need to reduce herd size.

See our website or alpaca seller to see more females for sale. (We have approx 30 females for sale). Nice quality females with discounts available for 3 or more alpacas purchased.

See our website [www.winwickbarnalpacas.co.uk](http://www.winwickbarnalpacas.co.uk) and our Facebook page <https://www.facebook.com/winwickbarnalpacas>

All females up to date with husbandry. Vaccinated and ready to go to new homes.

Cambridgeshire is in a Low Risk Area (LRA) and has a low incidence of bovine TB and no recognised significant reservoir of the disease in wildlife.

We take biosecurity very seriously with double perimeter fencing. We haven't shown our alpacas since 2017. We have previously done voluntary TB testing and tested all clear. We are in 4 year testing area.
