### Beschreibung:

Lil Durk is a loving friendly alpaca, he is well halter trained and has visited schools, care homes and weddings. He walks well with children and is loving to his herd mates. His dam, Carlshead Eloise, a loving mum and has brought Lil Durk up well, and she does with all her cria. His sire, Ashwood Jet Setter, he is a highly desirable fawn male as his head style is very true to type. Jet also is a friendly alpaca who walks well on a halter, he must have massed that on to Lil Durk!
