Description:

This is a classy Solid Dark brown female with a super headstyle and a well balanced frame and good solid bone structure.

Her fleece is dense and very fine which is uniform in colour .

Mackenzie holds a fine pedigree with her Sire being Toft Timogen and her grandsire on her dams side is Van Diemen Qjori of Patou

Such a main character in our herd and is going to be thoroughly missed as she is so easy to do and is an outstandingly good mother her births with ease and nurtures her cria impeccably .

A true asset to any herd but unfortunately i need to make way for new cria .

Mackenzie has bred two beautiful female cria with super fine fleece ,a quality true black female and a bay black female cria both of which sadly have not been shown but have super fleeces and huge amounts of presence and a great fibre producers or equally will be super stud females.

At stud to Bridevalley Machiato

Price is negotiable as the right loving home is my priority but this girl is packed full of great genetics will be a super purchase
