### Description:

Lane House Remarkable Conquest.

Solid White Stud Male &#127775;

This stunning boy is everything we look for in a future herdsire. He is very well grown with good capacity, his fleece is exceptionally fine, dense and uniform with the most pleasing staple length and brightness with a high frequency crimp from skin to tip. He is part of our show team - and only the very best alpacas make it onto the team. He has done very well for himself but now must be put to work!

Unfortunately he is too closely related to a lot of our females but we will be looking to use him this year (if he isn't

snapped up before that!)

Coming from 2 of our highest quality show winning alpacas this male is sure to produce some very special cria.

This male should be considered by any serious breeder, and a real bargain for such a high quality male. Viewings are welcome and I strongly suggest this as in person he's even more lovely.

He is fully halter trained and up to date on all vaccinations etc. He will also come with a fertility guarantee.
