Description:

Inca Poppet is a very good looking female who has good presence and fibre coverage on a solid frame. Her fleece is bright, fine, soft handling and long stapled.

She has been bred to our sire of champions, Inca Lewesdon, who has proven to produce some of the best black stock here at Inca. The resulting cria should be an improvement on the dam with added density in the fleece.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland and the Middle East.

Name of covering male: Inca Lewesdon (Black)

Last Mating Date: 17th August 2022
