Description:

Inca Pearl is a well grown stylish fawn female who has lots of presence and stature. Her conformation is correct in all aspects and she has a fleece that is very soft, fine, uniform in colour and fineness and also long in the staple. She is now pregnant to our two times BAS National Show champion brown male, Toft Timogen and the resulting cria should be a stunning colour.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland and the Middle East.

Name of covering male: Toft Timogen (Dark Brown)

Last Mating Date: 8th August 2022

Estimated Date Cria Due (Pregnant Female): 8th July 2023
