Description:

Inca Patience brings a lot of well known bloodlines to her pedigree. She is a solid female who is correctly conformed and moves well. She has a fleece that exhibits great density, fineness, uniformity of micron and colour and is very bright. With such a depth of quality in her family tree and mated to one of our leading champion sires in Inca No Strings, this female should offer breeders a high-quality base from which to work from.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland and the Middle East.

Name of covering male: Inca No Strings (Black)
