### Description:

Inca Porto is a really stylish and true to type black female. She has a stunning phenotype whereby her solid frame is well covered in fleece and she has excellent presence. Her fleece displays very good density, uniformity of micron and colour, brightness and fineness. Her phenotype is everything a discerning breeder is looking for. Her pedigree is full of highly proven bloodlines that have been so reliable in producing high quality bloodstock and she is the ideal female for those looking for the future of black alpacas.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland and the Middle East.
