Fibre Testing Authority: Art of Fibre

Description:

Inca Polo is a unique female who although having a brown/dark rose grey fleece, has genetically tested as a classic grey.

She is a well grown female who has great presence and balance to her frame. The fleece this female is growing is fine, very bright and soft handling.

She is pregnant to our champion imported grey sire Van Diemen Storm and the resulting cria has a high possibility of being grey and of good quality.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland and the Middle East.

Name of covering male: Van Diemen Storm of Inca (Medium Grey)

Last Mating Date: 23rd August 2022

Estimated Date Cria Due (Pregnant Female): 23rd July 2023
