Date of Birth: 15th June 2022

Description:

Jetstream is a very stylish cria with a bright future. Jetstream is one of the first males will have released sired by our 'super stud' Inca Grey Limelight.

He has a soft handling fleece with a low micron count. The fleece is extremely uniform in colour and he is conformationally sound with a good phenotype. He stands correctly and has good presence, even at such a young age. Jetstream has a sound pedigree with well known names such as Sutierra Shadow, Lillyfield Jack of Spades, Alpaca Stud Nyetimber.

Jetstream comes with a fertility guarantee, enferplex TB test, camelid vet check, and our full 24/7 support. He will be ready to leave after weaning.
