Description:

Inca Pique is a very solid framed male who moves correctly and with fluidity. Not only is he displaying a frame that is correct in each area, he also has a very dense fleece that is fine, soft and uniform in micron.

Bred from some very special Australian genetics, Inca Pique is ideal for those wanting to build on their fawn and brown breeding programme.

sire for their black breeding programme.

This halter trained male comes with all our normal guarantees including registration upgrade, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland and the Middle East.
