Description:

Liquorice is a very well grown black female with good uniformity of colour. She is an excellent mother, births easily and her cria are always the best grown in the paddock. She is very reluctantly for sale and those who have admired her daughters in the showing must think I'm mad, but we are retaining her genetics by keeping 2 of her beautiful daughters and her full sister.

She is halter trained and was used for alpaca experience visits before she was pregnant.

She is sold pregnant to King Garth Hipster, who also sired her very nice 2023 and 2024 cria, King Garth Twirl and King Garth Divine.

King Garth Twirl (Liquorice's 2023 cria) has an excellent show record with sashes in both halter and fleece shows and was 4th in her class at The National Show 2024

Her pregnancy is guaranteed for a live cria on the ground for 24 hrs or a remating to a King Garth Stud male.

Liquorice is up to date with all husbandry and follow up advice and guidance is available for as long as needed. Delivery can be arranged up to 100 miles of King Garth. 10% Discount is offered on purchases of 2 or more alpacas from King Garth.
