### Description:

A grand-daughter of Macgyver's Aslan. Macgyver pedigree is extremely sought after, the genetic line is exceptional. As the sire of the Accoyo Bruxo line, Macgyver won Herd Sire of the Year for 7 years straight.

While also being a grand-daughter to the impressive Maserati's Peruvian Alfonso, proven to be one of the greatest sons from sire Torbio Maserati; a Multi-champion in both fleece and halter shows.

Willow has not only the exceptional pedigree, but, a beautiful temperament and superb mothering qualities. A light rose grey female with few colored spots throughout her fleece. Bred to our Appaloosa stud male Lensky, for the purpose of producing spotty cria. This years cria has not disappointed and provided us reason to repeat this mating. A beautiful female with great conformation and style.

Willow can be seen on the farm, as well as her cria from 2022 and covering sire.
