Formal Attire is quiet by nature but happy around people. He is very well-handled and halter trained. He carries a beautiful soft fleece, amongst the finest of his year.

Formal Attire is best friends with Slam Dunk and we would like these two to go to a new home together. Discounts will be made accordingly.

Formal Attire would make a trekker or lovely family pet.

As with all our 2021 castrated males, these boys were kept as potential stud males but it was decided that they had just missed the extremely high standard required to be a Beck Brow stud male. This does mean he, as with the others, has a lovely soft fleece which should retain its quality with age keeping an attractive look to him and a saleable fleece.

Fully up to date with all healthcare needs.

Training and ongoing support included.
