Omschrijving:

Valentino is a male with a fantastic presence. With a strong substance of bone, a pedigree to die for, and a beautiful fleece, this male really is something great! Valentino carries an ultra fine fleece, a characteristic he has carried on with each fleece, supreme lustre and good structure. His mother is a Dazzler daughter and boasts GLR The Synergistic as her grand sire whilst being a double Supreme Champion winner. His father is Travatore, a name that makes any Suri breeder excited!

Valentino is a must for any Suri breeder wanting to layer some top class genetics in their herd; not just white but colour too!!
