Description:

Beautiful young male, well grown, good bone and conformation. His fleece is very bright with nice staple definition and growing a good length. Roma was second as a junior white male at the BAS National in 2022 and part of the winning Light Huacaya Progeny Group. His only other show that year was the SWAG Show at the Somerset Show where he was second to his field mate Titian.

Roma's sire is Houghton Placido who was Champion White Male at the BAS National in 2019 and his dam is the fawn CME Brigit, Champion Fawn Female at the North Somerset and Devon County shows.

We would expect Roma to work later on this summer.

Prizes Won:

2nd Junior White Male BAS National 2022 and part of the winning progeny group.

2nd Intermediate White Male SWAG at Somerset Show 2022

CME Roma's 2nd fleece
