Description:

Patou Kambuzi is a well grown female who is correct in her conformation. She has good substance of bone, correct proportions and is in excellent body condition. Her fleece is very dense, fine, uniform in micron and colour and it's extremely soft to the hand.

She has an excellent pedigree and has been bred to one of our best males from 2018 in Inca Marcelo. The resulting cria should be stunning and very high value.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland and the Middle East.

Name of covering male: Inca Marcelo (Black)

Last Mating Date: 16th October 2022

Estimated Date Cria Due (Pregnant Female): 16th September 2023
