Fibre Testing Authority: Australian Alpaca Fibre Testing

Description:

Springfarm Baron has an impeccable pedigree. His sire - Houghton Tailor Made - was SUPREME CHAMPION SURI at the BAS National Show 2018. His dam, Springfarm Marie Antoinette, was Supreme Champion Suri at the 2013 Romsey Show as well as a host of other 1st place rosettes - including the Nationals!

Baron's full brother - Springfarm King Arthur - has received only 1st place and Championship rosettes in both halter and fleece shows in every show he has attended - including one wild card Reserve Champion Fawn male at the BAS National 2022 (should have gone to Specsavers)!

Tailor Made provides lingering fineness, lustre and style in his offspring. Baron's 2022 fibre stats were 16.3 micron, 4.0 SD and 8.0 CEM. At the Heart of England Fleece Show 2022, Baron came 1st in his class of 12/24 month suri fleeces with a score of 83%!! He has gone on to take Reserve Champion Fleece at the HoE 2023 and BAS National 2024.

We are only offering Baron for sale as we had to make a difficult decision to keep either him or King Arthur. We have decided to keep King Arthur. Baron will come with a full vetting and fertility guarantee.

His price is £3000 + VAT
