Cinnamon is a stand out female in the paddock with a 'look at me' presence about her.

Phenotypically she has great conformation, a well balanced frame which has a good weight of bone, great depth of chest and lovely true to type head style.

Her fleece is very fine and dense with a beautiful soft handle and good uniformity.

Genetically Cinnamon has the great Toft Timogen as her sire, consequently her 5th fleece was measured at 21 microns. On her dam's side is Popham Thunder.

Cinnamon is a proven breeder having had two high quality cria previously.

Cinnamon now has a beautiful chunky light fawn female cria at foot. At this early stage she looks and feels very nice indeed.

Cinnamon is now spitting off to Inca Patriot.
