Description:

REDUCED PRICE

Periwinkle is a lovely looking stylish young dark fawn female about to start her life as a breeding female.

Phenotypically, she has a pleasing look to her with a solid, well balanced and well proportioned frame with good depth and width of chest and a true to type head.

Periwinkle has a fine fleece which is very dense and bright. She grows a long staple length and she has a nice soft handle.

Genetically she is equally as impressive with her sire being Patou Snow Goose and her mother Patou Madagascar being a Toft Timogen daughter.

Periwinkle has a host of coloured 'giants' in her pedigree including Lavendar Park Tulley, ATA Cambridge Centurion and Canchones Witness.

She is fully halter trained and is easily handled.

Periwinkle is now spitting off having been covered by Inca Patriot. We feel that this union will produce something very worthy of the show ring.

Prizes Won:

2022 Ellingham & Ringwood Show - 3rd Intermediate Fawn Female.

Name of covering male: Inca Patriot (Medium Brown)
Last Mating Date: 13th June 2023
