### Beschreibung:

Antoinette is a well conformed and strong framed female who grows an excellent staple length. With Snowhill Romulus II as her sire and Viracocha Prophecy of Anzac (Imp) as her grandsire, she has plenty of potential to produce something fantastic. She has only had one cria who was sired by one of our more average stud males (Snowhill Figaro), but the result, Snowhill Smokey Joe (Modern Grey), was a huge improvement on both parents.

Antoinette would make a great addition to anyone wanting to improve their breeding programme and although she may not be particularly fine, she has proved that she can produce something that is!.
