Fibre Testing Authority: Art of Fibre

Description:

Esme is a sturdy and correctly conformed female who grows a great staple length. Her Dam, Snowhill Emmatallulah, is an appaloosa so there is potential that she could produce an appaloosa if put to the right male.

Esme would be a great addition to anyone just starting out in alpaca breeding or someone who is looking to breed multi's or appaloosa's.

Number of Crias bred from female: 0

Snowhill Esme
