Faser-Untersuchungsorganisation: Art of Fibre

Beschreibung:

Cleo is a stunning grey female that we purchased from Capital Alpacas. We selected her based on her fibre stats and pedigree as she boasts both Wyona Sunset Boulevard and Alpaca Stud Nyetimber. I won't lie; we're a bit fond of the latter and have a number of his descendants.

Cleo has given us two fabulous daughters and, having decided to retain one in her stead, think she can go on to produce colour for another breeder. She is currently empty, but can be mated to any of our stud males.

All our alpacas are halter-trained for ease of handling.

All our sales come with:

- a full health history of the animal
- after sales support
- pregnancy certificate
- pre-movement worming
- live cria guarantee (7 day)
- discounted stud services to returning females
- microchip and ear tag
- BAS registration
- No VAT
- We can provide a Tb test at purchaser's cost.

If you require a course in how to care for your alpacas, we would be only too pleased to spend a day showing you the

ropes.
