Beschreibung:

Sumo has had a huge impact on our herd, adding colour, and the density that we desired. We have lots of his genetics after giving him the work he well deserved, so he is looking for pastures new. He is a son of the highly desirable Snowmass Bronze Royalty of ARW who as been an outstanding influence to coloured alpacas in the UK and these genetics are now not found easily. Sumo carries a fine, dense uniform fleece with excellent consistency. With his true to type head style, this male has breeding guarantee and will not let any female down!
