Description:

Sable is a pretty girl with a lovely soft-handling fleece. We looked at her fleece on an assessment course and the tutor really liked it, said it was fine, uniform and very low on guard hair. She has correct conformation and a very well-known grey sire, Bozedown Elector. Sable should produce some really beautiful cria in the future. She would be ready to breed next year. She is a very gentle girl, very unassuming and not pushy at all. You would need to make sure she was getting her fair share of feed, as she tends to get pushed off by the more bolshy ones!

Her Dam has a really dense fleece with a lovely crimp, which comes from her outstanding pedigree.

She is healthy, easy to handle and would be a fabulous addition to a herd.

Please contact me for more information as the Alpacas that we have available is constantly changing. If you are wanting to create a group discounts are available and if you wish to start a breeding program we also have some stunning herd sires for sale as stud males with top prize-winning genetics and a real range of colours. - currently; Grey, Multi, Appaloosa, Black and mid-fawn.

BAS registration & transfer fees are included.

Fully vaccinated and very regularly parasite checked, pre-movement worming will be given.

Comprehensive husbandry support is given locally, or by telephone if further away.

Pregnant females come with a live cria birth guarantee. Otherwise, you may have a free mating the following year, here, onsite, with your choice of stud from our group of superb males.

Prices are NOT inclusive of sales tax which needs to be added.
